Barney... actually, I'm...

...in love...

...with you, secretly...

...because you're handsome...
...you're smart...
...you're my ideal guy...
LOVE

I'm your
SECRET
ADMIRER!

Oh my god, I blurted it out!!!

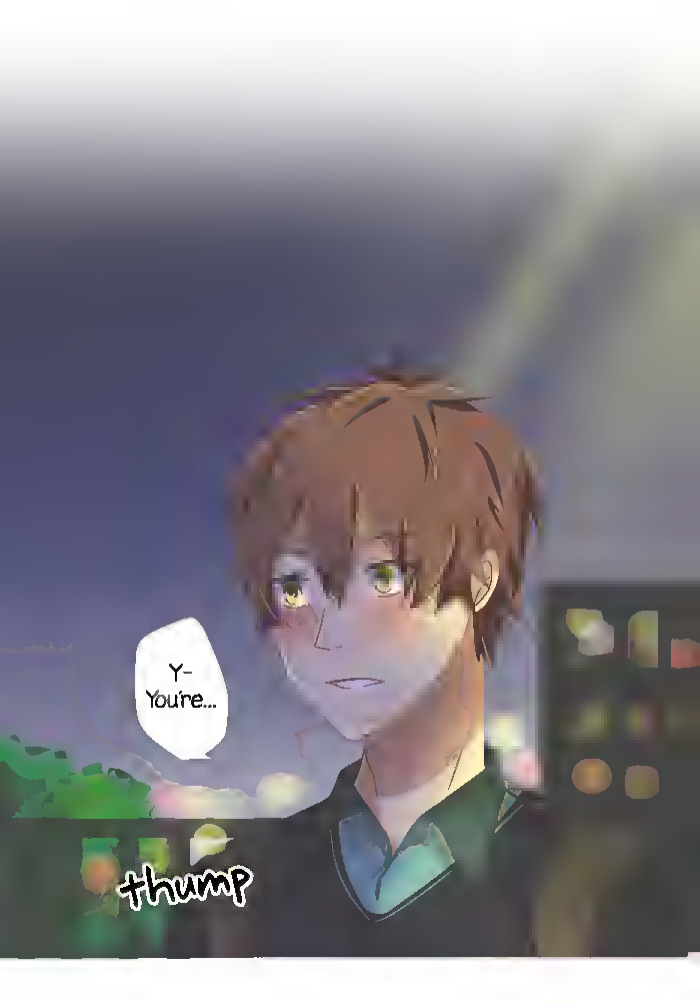
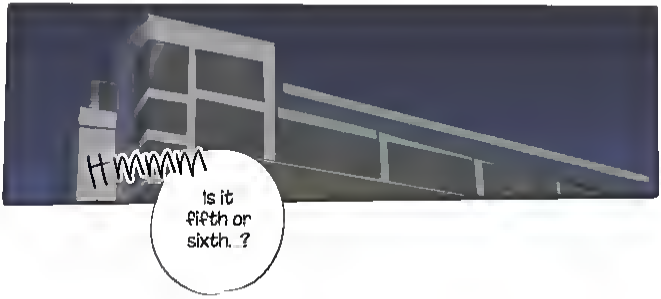
Episode 4: Me



Y-
You're...
thump

This is the *sixth time* I was confessed to...
—today—
What the-?!
STAB



Hmmm
Is it fifth or sixth...?

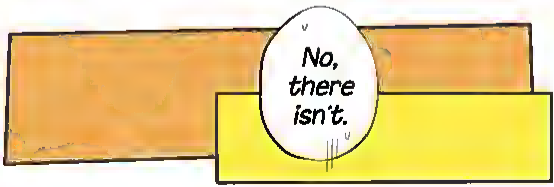
Seriously?!
Maybe seventh.
Uwatch

But thanks
for your
feelings
Hahaha

Is that so..
Yeah you're welcome.
silence

But,
Barney—

Is there really...
no chance you'll grow to like me?!
dadada
eh?



No, there isn't.

Not even a little bit?
boohoo
Yes.
Ehm...
Then how about a little bit from that bit?
Nope.

Oh! Oh!
What about tomorrow, will you like me then?
We just met ten minutes ago!
URGH
So after we get to know each other more you'll like me right? Right?

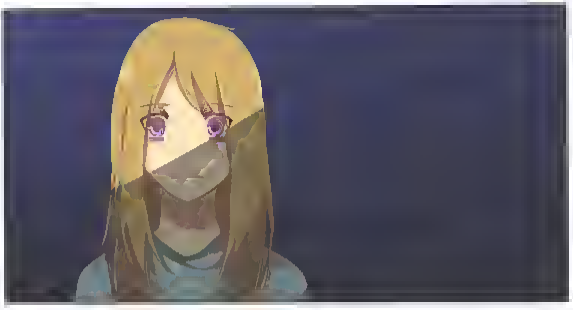
Stop it!
Hurt...

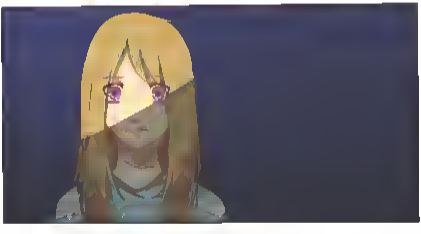
are you possibly...
Shin-e
Hell no.

Just stop it already...
Ugh
I'm tired of hearing it - you guys only look at the outside.

If that's the case...

It will become DULL after a while... is that really what "like" is?
thump!

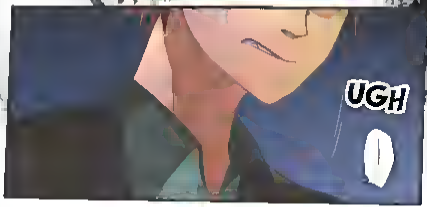




I-
I'm not the type of person who *randomly confesses!* Don't lump me up with *those six girls!*

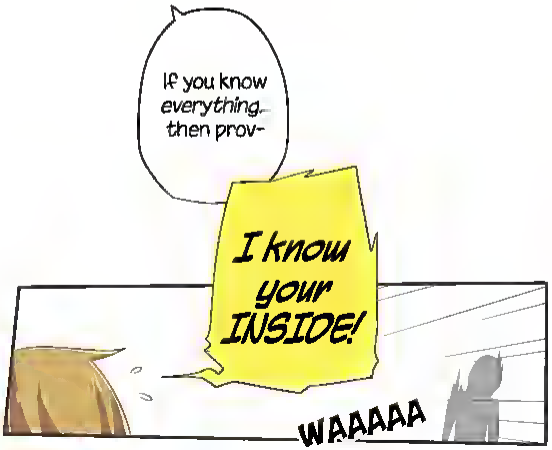
I've loved you for more than two years!
And you think I was blindly idolizing you all this time?!
I wouldn't care even if you become ugly or deformed someday, I'd still like you!

Because I'm
not just looking
at the outside!
I know
EVERYTHING
about you!



UGH

Enough!

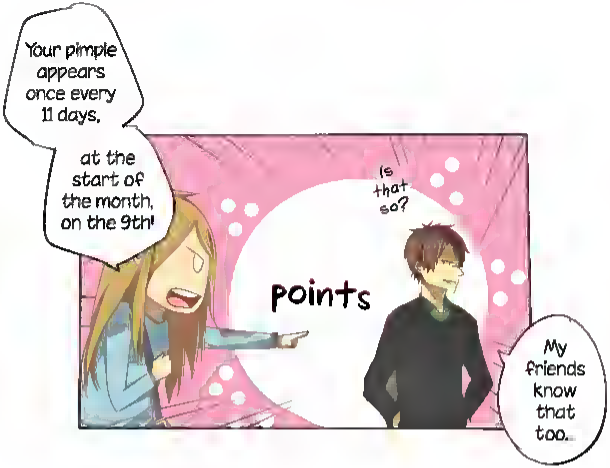


If you know everything... then prov-
I know your INSIDE!
WAAAAA

Full-waist brief model! Size XL!
Capingcut brand! And what you're wearing right now is in TOSCA!
Not THAT inside!

But I got it right, no?
Yay yay lala~
Not even close!
SHIT! How did she know?!
Damn...

Oh, there's more!
Your birthday is on June 1st, right?
Everyone already knows that
Points
Be more specific, please!

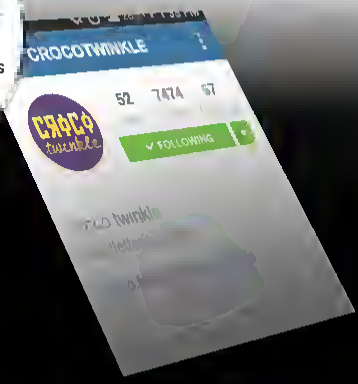


TL/N: refers to Manchester United FC

Oh!
Oh!
I know your
pen-name!
Eh—

You like to make *decorative writings*

If I'm not mistaken they call it "hand-lettering". You got many followers* and receive commissions from the orders.



TL/N: on Instagram app

You keep your real identity a secret so that your friends don't meddle with your work as a hand-lettering artist.

Going

Oh!
And I know on your upper-left head...
there's a SCAR-
!!

She
...

Everything she said is SPOT ON!
PANIC!
PANIC!
What to do?! What do I do?!

False,
guesses.
Huh?

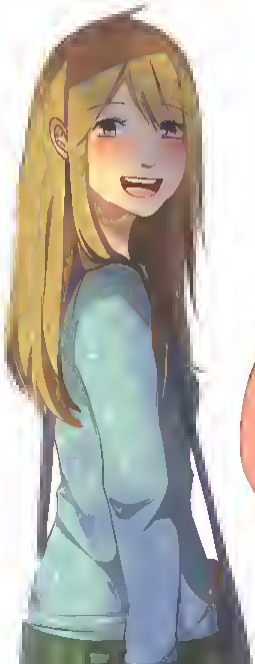
Just give it up already...
Glance

But I-
You've tried.
You should try to look for a person's good and bad qualities, then decide whether to like him or not

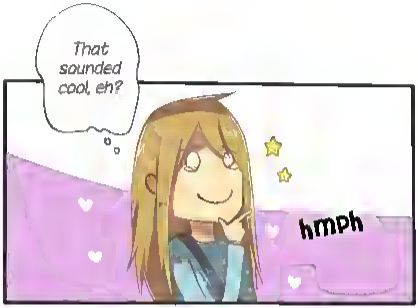
Crap I fretted over a stranger.
Pardon me

Sorry, Barney... but for me...

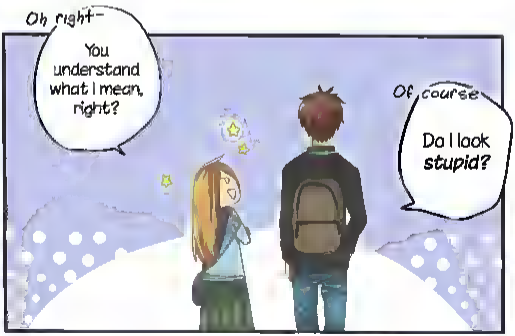
if you like someone, it's not because of their *good or bad traits,*



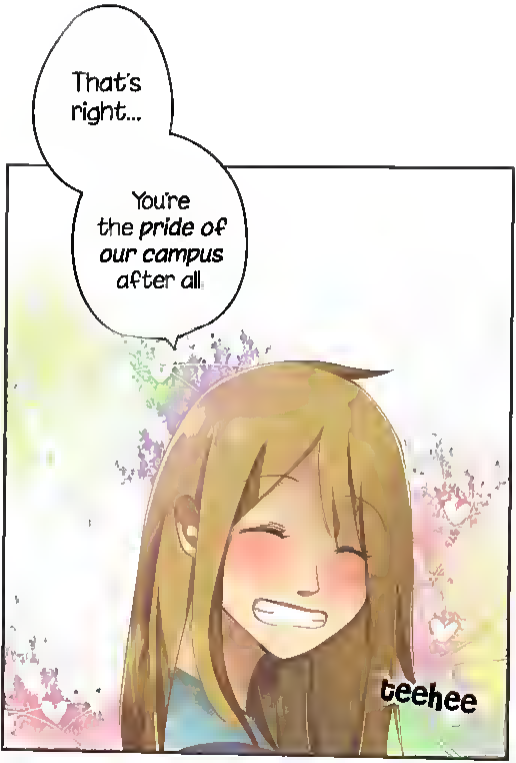
Instead, the more you like someone the more you can *accept them as they are,* including their flaws



That sounded cool, eh?
hmph



Oh right-
You understand what I mean, right?
Of course
Do I look stupid?



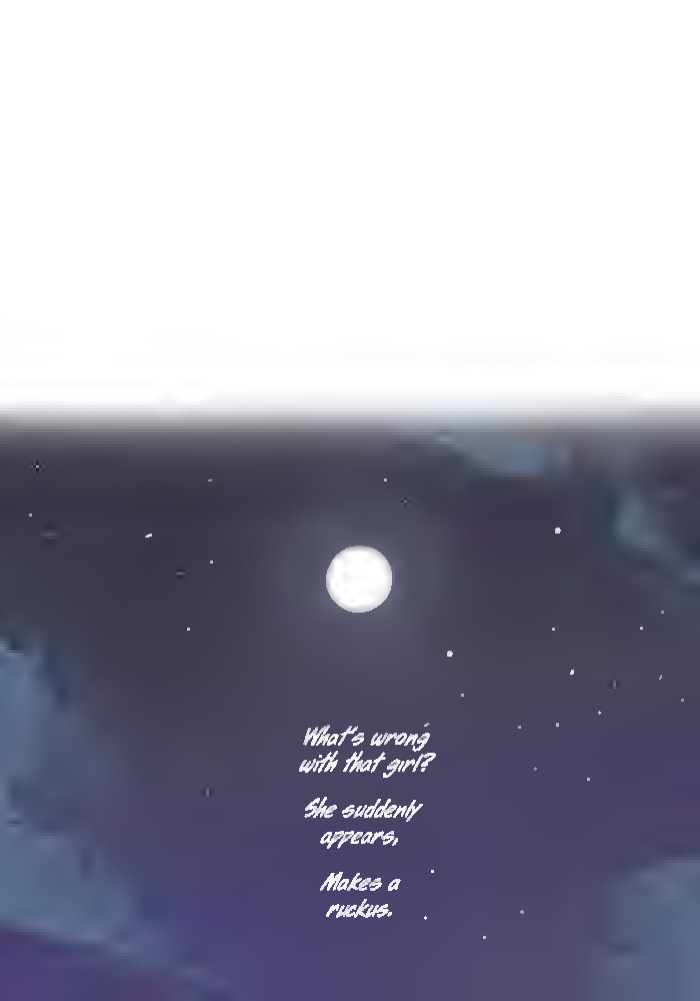
That's right...
You're the pride of our campus after all
teehee

And needless to say...
thump
Your parents must be VERY PROUD to have such a bright kid like you
Ahahaha

Ah seems like my dad is already here... you must meet him next time~

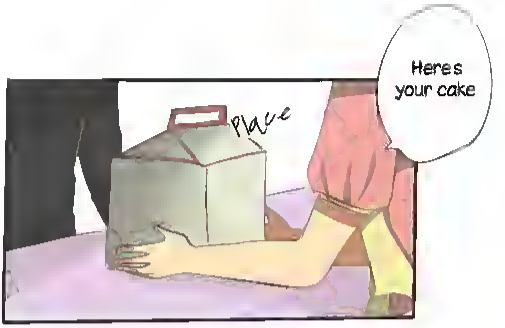
And I will STALK you...
even more~
hehehe
Please don't!

Step
Step

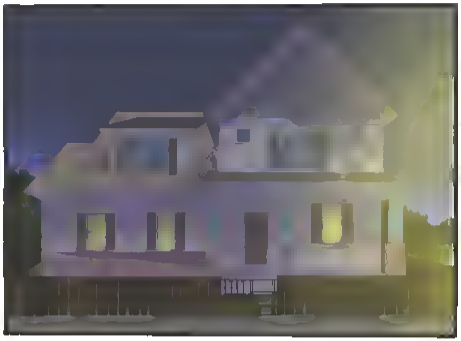


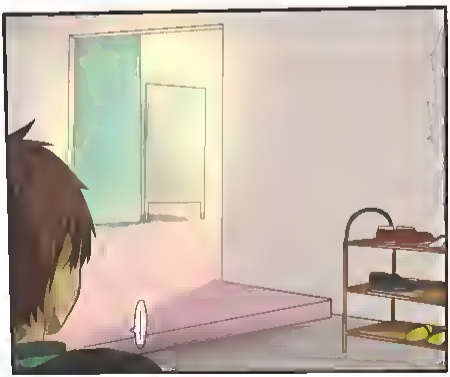
What's wrong with that girl?
She suddenly appears,
Makes a ruckus.

Thinks she knows all about me...
She's just like any other girl...
Shit.
I'm really pissed.



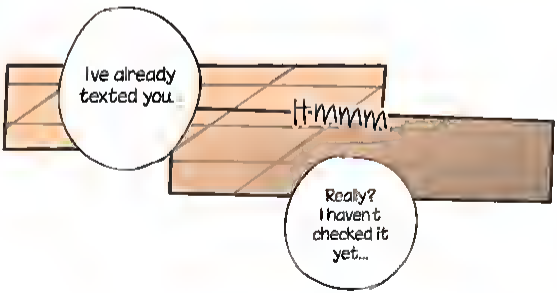
Here's your cake
Thank you very much.





Ah, that's...
Right...Father has been home for a while now...

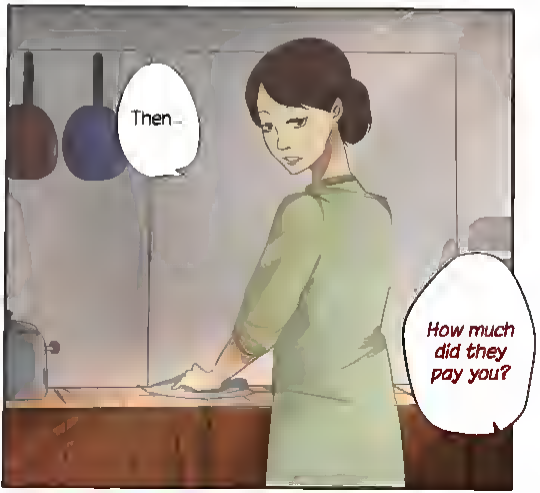
You just got back now?
What were you doing?
STEP



I've already texted you.
Hmmm.
Really? I haven't checked it yet...

If you really want to know, I was actually the MC,
on todays talkshow at the university
The show started late in the afternoon, so it finished at night...
bathump

Is that so
turns



Then...
How much did they pay you?

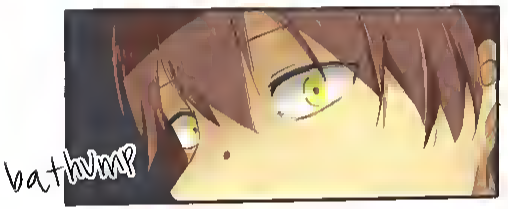
If they won't give you a cent then don't do it! You better work on that thesis of yours!
It's like no one else can do it! Why does it have to be YOU?!
thump

...I'm tired of talking to a child who *never listens to his parents.*

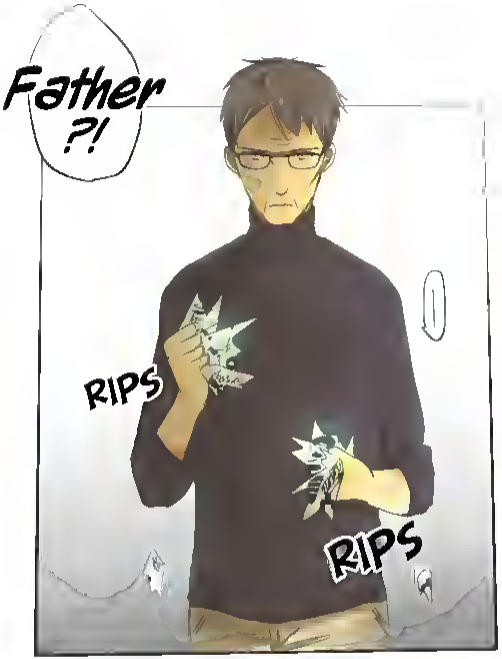
Sorry, Mother. I didn't mean it like that... Even though I have a packed schedule, I still am working on my thesis.

If you say so
Speaking of which, is this the delicious cake you talked about? It has a unique color
Waaa
Ah right. this is a taro layered cake...
It doesn't look like a birthday cake but I hope you like it

It doesn't matter whether you're an MC or a director... If you're still studying in that shitty place
IT'S USELESS!
bathump



Fa-



Father
?!
RIPS
RIPS

Nothing to be proud of! Not back then or even now...

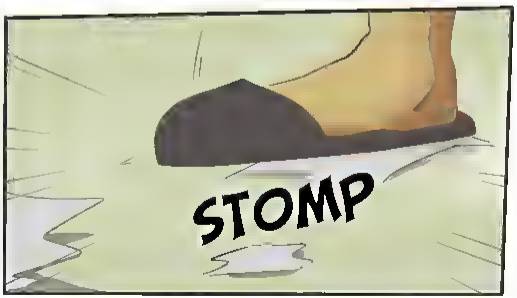
NOTHING has changed!

RIPS

RIPS

And stop making these **useless writings** that have nothing to do with your studies!!!
RIPS
RIPS
Wa- wait...

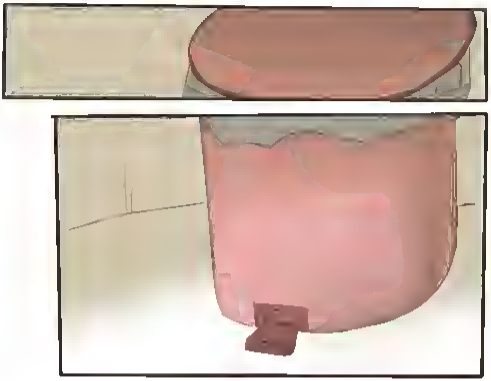
It's not like that, Father! I can manage my time between studying and making handlettering... And what you just ripped right now is someones order-

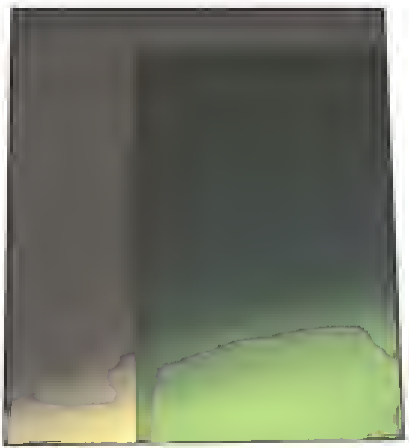


STOMP

...for tomorrow

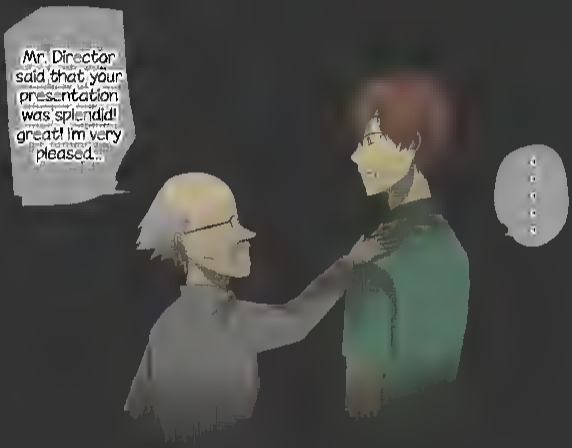
Your parents here completely understood that you're a lacking child. so stop letting us down!





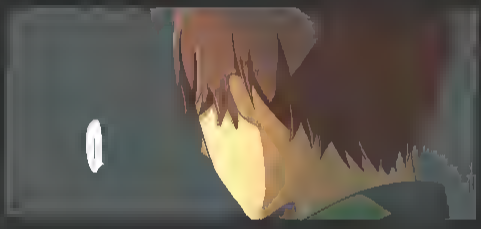
Step
Step

Wow Barney how can you be so smart?
I'm proud of being your Junior.
...
Step
Step



Mr. Director said that your presentation was splendid! great! I'm very pleased...
.....

Step
I'm gonna sit in the first row while you're on stage.
I'm very proud to have such a wonderful friend like you!!



Is there anything you can't do?
It's great to be you, huh...
...

I honestly feel really happy when they compliment me like that

You're the pride of everyone in our campus.
And I bet your parents would feel the same too.

But...

Ironically, my parents never said those words to me...

That's why sometimes I get annoyed when someone acts like they know me well...

Because in reality

I

am just...

A
LOSER!

uwaaah!!
